## Professional meeting with Buenos Aires International Book Fair's exhibitors

Dear colleague,

We hope this email finds you well and in a good health.

As you may know, **Buenos Aires International Book Fair** is one of the most important meeting points for the publishing industry in Latin America and a unique platform for networking to all the professional parties involved in such industry.

Because this year we will not be able to gather, the Organization has developed a strategy to allow distant meetings with the Argentine exhibitors. We would like to invite you to participate in this new initiative related to Professional Sessions of the Buenos Aires International Book Fair.

### How does it work?

Access Buenos Aires International Book Fair's exhibitors list [here](#).

If you wish to contact our exhibitors, get acquainted with their catalogue update and make commercial deals, buy or sell rights, and establish new commercial links, please complete this [form](#) until May 20.

At the end of registration terms, the Organization will send exhibitors a list of all the professionals interested in meeting them and all the contact information submitted. Then our exhibitors will be able to contact you and ask for a meeting arrangement through the platform both parties consider most appropriate (mail, whatsapp, phone, skype, etc.).

By doing so, the Professional Sessions of the Buenos Aires International Book Fair keep on achieving their targets such as matchmaking and networking opportunities for all the professional parties of the publishing industry.

Should you have any question, please contact [profesionales@el-libro.org.ar](mailto:profesionales@el-libro.org.ar)

We expect this proposal interests you and feel welcome to participate.

Best regards,

**Fundación El Libro**
